Popular Oyen Boy Is Carried Off By Influenza

On Monday night the sad news became known of the death of Mr. Joseph Morrow, a popular Oyen boy. "Joe" as he familiarly called, was taken sick on Sunday morning and passed away on Monday night. The deceased was about 20 years of age, and had been engaged in the dray business in Oyen for the last twelve months. His congenial and obliging manner had made for him many friends, and the deepest sympathy is extended to the family in their bereavement.

Every Albertan to Wear Mask

Every person in the province of Alberta will be compelled to wear a gauze mask, outside their own home or residence except when it is necessary to partially remove the mask for the purpose of eating. This order was issued by the provincial board of health last Friday. The following also went into force on Saturday:

"In any office, shop, factory, workshop, or place where the public resort or are permitted, no spittoon or container shall be placed or used nor shall any person in such places expectorate other than to a handkerchief or other material carried on the person. Any such handkerchief should be kept away from solid clothing and boiled before being used again. Any other material used for expectoration should be destroyed."

OYEN VICTORY LOAN CANVASSERS ARE ENTHUSIASTIC

On Monday last at nine o'clock the Oyen canvassers for the Victory Loan started out on the campaign. High enthusiasm was manifested by all the canvassers and each one is determined that everybody in the allotted territory will be canvassed and given the chance to do their bit by buying a Victory Bond. The canvassers are doing this work for the good of their country, and are doing their time to help along the cause, and we heartily commend co-operation with them to make their work in their neighborhood fully successful. You will buy some Victory Bonds yourself through your canvasser, and you will wish to see all your neighbors get some Victory Bonds, too.

Mr. G. V. Hannah, Manager Of Bank of Hamilton Dies From Spanish Influenza

It is with much regret that we announce the death of Mr. G. V. Hannah, manager of the Bank of Hamilton here, which occurred with startling suddenness early Sunday morning, after a very short illness. He contracted influenza which developed into pneumonia and although everything possible was done to pull him through he succumbed to the disease.

Mr. Hannah came from Terhena, Man., about two months ago, and during his sojourn here has made many friends, and the news of his death cast quite a gloom over the town. The greatest sympathy is felt for his bereaved wife and two children. The remains were shipped to Winnipeg where his family are now residing.

Locals And Personals

Do your Christmas shopping early—buy a Victory Bond.

Rev. and Mrs. F. A. Finlay, who have been attending the Methodist Convention at Hamilton, Ont., returned Saturday morning.

Construction work on the Oyen school is progressing rapidly. If the fine weather holds out for the next two or three weeks the outside work on the building will be completed, and once the outside work is done it will not be long before the school will be ready for use.

Mr. and Mrs. James Thomson and family left on Friday morning for Edmonton, where they will spend the winter months. Mr. Thomson is now inspector and assessor of wild-land in Alberta.

Pte. Jack Norton, who has been home on harvest leave, left on Saturday for Brockville, Ont., where he will join his regiment. "Jack" came in the day before and left to say "Good-bye, Oyen," and hopes soon to be able to say, "Hello, Berlin."

Have you left your order with the Whitlock Lumber Co. for your storm sash and doors? Don't delay.

The Least We Can Do, But That We Must Do! Buy a Victory Bond.

Giving Help To Canada

The Victory Bond, good investment though, it is, is a great deal more than that. It is the documentary proof that its possessor has an active and living impulse to aid Canada in carrying the burdens that have been imposed on her by the war, and the further burdens that will ensue in the great constructive work that will follow Peace.

CAPT. W. J. HINDLEY

Capt. W. J. Hindley is a Canadian by birth. For a period of four years he was Mayor of Spokane, and for many years has been an active part in the up-building of Western United States and Canada. For several months the past season he was engaged by the United States Government to visit western cities with a view of counter-acting German Propaganda. Why Canada must borrow money to carry on

Because Canada has put her hand to the plow and will not turn back—

—our country is in the war on the side of liberty and justice and will stay in it till complete victory is won and the unspeakable Hun is smashed and beaten to the ground;

—a nation at war must make tremendous expenditures in cash to keep up her armies and supply them with munitions, food and clothing;

—Canada must finance many millions of dollars of export trade in food, munitions and supplies which Britain and our allies must have on credit;

—for these purposes Canada must borrow hundreds of millions of dollars—

And, this money must be borrowed from the people of Canada—

Therefore, Canada will presently come to her people for a new Victory Loan to carry on—

—for her people for a new Victory Loan, will loan the money by again buying Victory Bonds.

The national safety, the national honor and the national well-being require that each and every Canadian shall do his duty by lending to the nation every cent he can spare for this purpose.

Be ready when the call comes to see your country through in its great war work

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada

Another Oyen Girl Awarded Bronze Medal

Miss Ruth E. Olson of Fairacres has been awarded the Bronze medal given by His Excellency, the Duke of Devonshire, Governor General of Canada, as the candidate receiving the highest marks in the Hagan Inspectorate at Public School Leaving Examinations held in June.

ORGANIZING COMMITTEE GET READY FOR THE CHAUTAUQUA AT OYEN

Miss Cummings, representative of the Dominion Chautauqua, was in town last Thursday making arrangements with the local committee for the coming of the Chautauqua to Oyen on November 15, 16 and 18. Arrangements have been made to hold the six performances in the Oyen Opera House, and the local committee are making the necessary preparations in the town for the people from the country who will be in to see these excellent programs. This is an opportunity which you may never get again to hear some of the finest singers and entertainers the world can produce. Those who attend the Chautauqua will have the pleasure of hearing:

Dr. G. Whitfield Ray, F.R.G.S., the celebrated explorer who spent fourteen years in exploration in South America, and whose lectures on the little known republics of our southern continental neighbors have enlisted the attention of the country, is coming to Chautauqua Festival on the second night.

No story told upon the platform has awakened more interest or proven more timely in this epoch-making era, when conditions are being changed by the great war, and South America has suddenly become a fruitful field of commercial conquest. Dr. Ray will take you on a personally conducted tour of South America, graphically describing the vast area of the country, with room and fertility of soil to support the world; you will pass through territory where few white men have ever penetrated, making the acquaintance of savage tribes with customs as strange as those of the Holy Land. You stand at the border of unexplored territory comprising tens of thousands of miles; thirteen hundred miles from a railroad you'll follow him breathlessly, visiting the oldest known cities built by prehistoric man, then back to marvel at the modernity of the present great cities of the country, which are among the most progressive in the world. You'll learn that Brazil is bigger than the whole of Europe, that it is twice the size of India, and three times the size of China. You'll get more South American geography and history in an hour and a half than you can gather from dusty volumes in a year. And you'll get it at first hand from a man who knows South America as few men know it, and with it a charming narrative, amusing, pathetic, thrilling, interesting. An entertaining, informative travel talk.

C. A. Weidman, Sec. 13-26-2, 13 miles south of Hildahl will sell by auction the whole of his farm stock and implement on the 5th of Nov. Sale to commence at one o'clock. As Mr. Weidman is leaving for the States everything must be sold without reserve.

Sir Thomas White, finance min-
ister of Canada, was the chief speak-

the Victory Loan workers of southern
Alberta, Calgary on Friday, October
1st. The meeting, which was pre-

Sir Thomas spoke in a clear,
pleasant voice, and in a way that
made the audience feel that he was
